

M1: Body methylation vs Expression

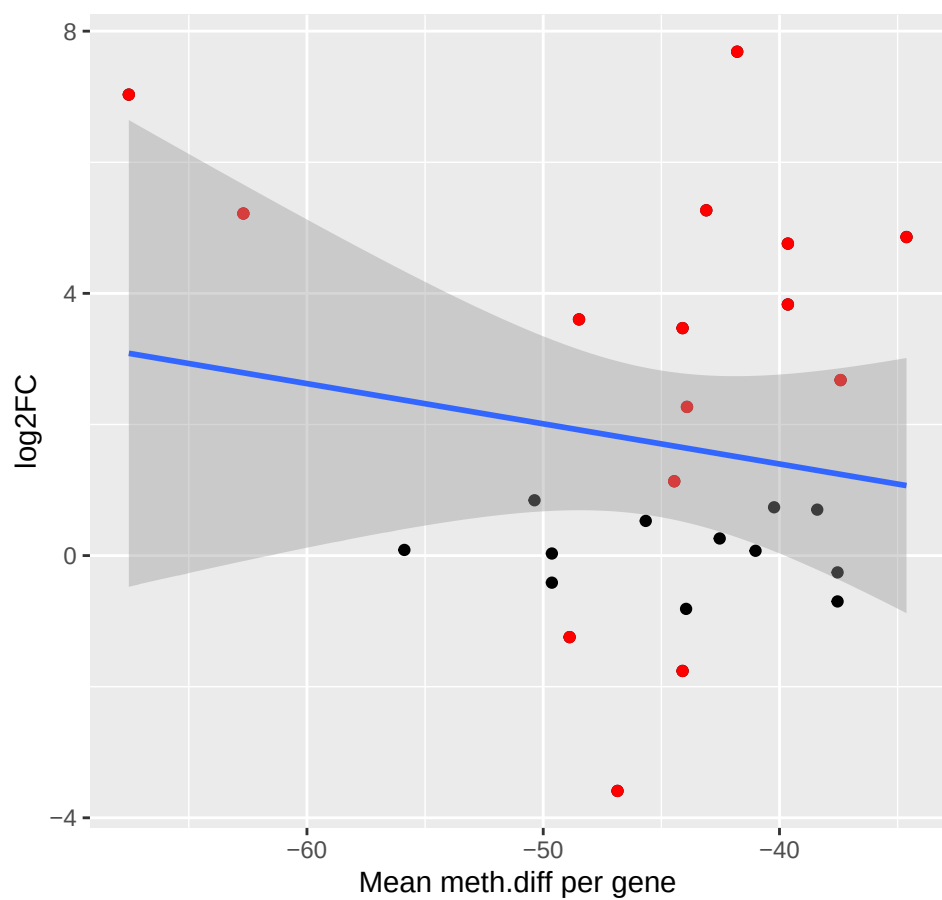

M2: Body methylation vs Expression

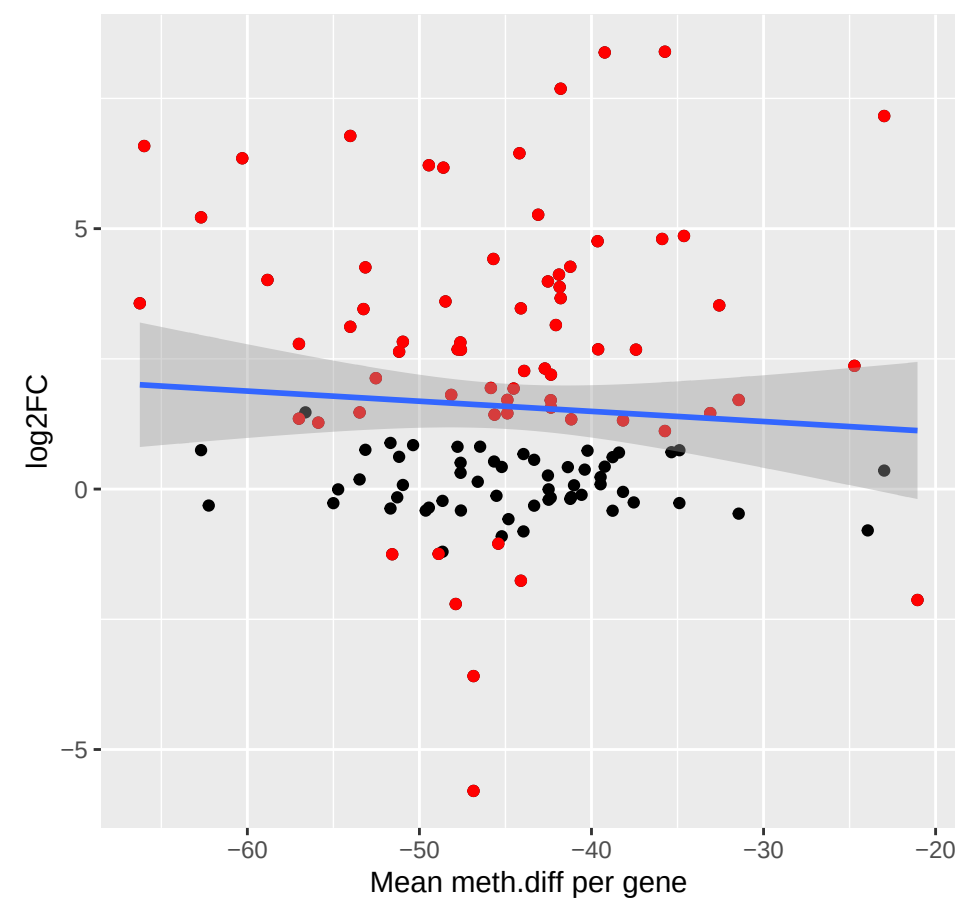

M3: Body methylation vs Expression

M4: Body methylation vs Expression

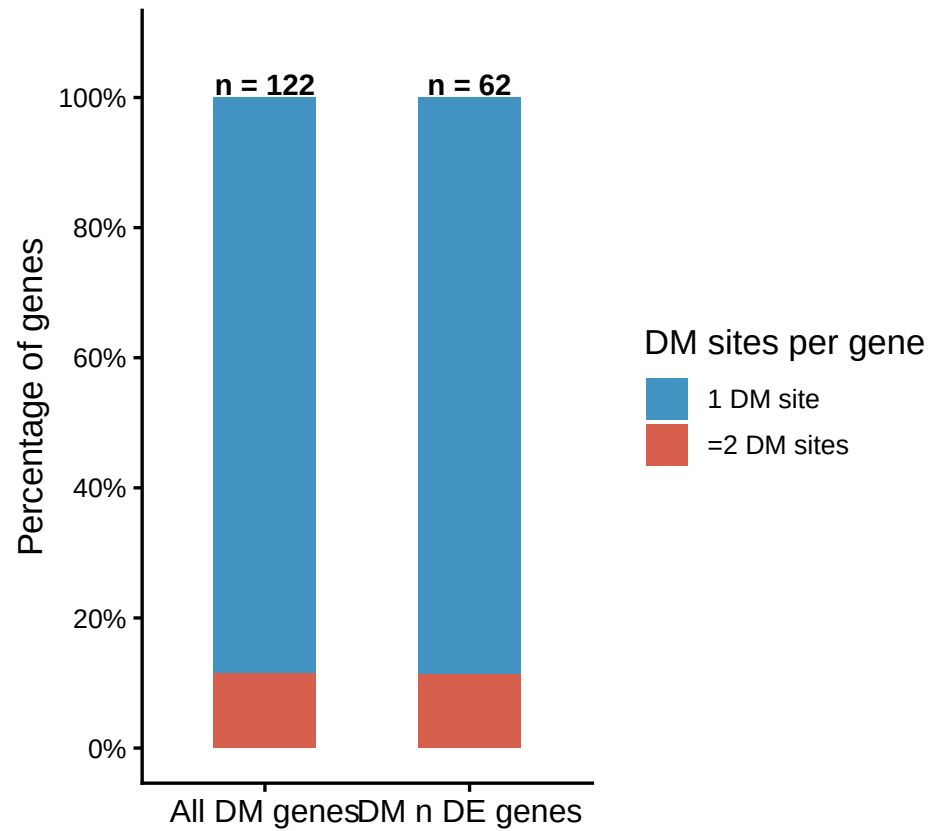

M5: Body methylation vs Expression

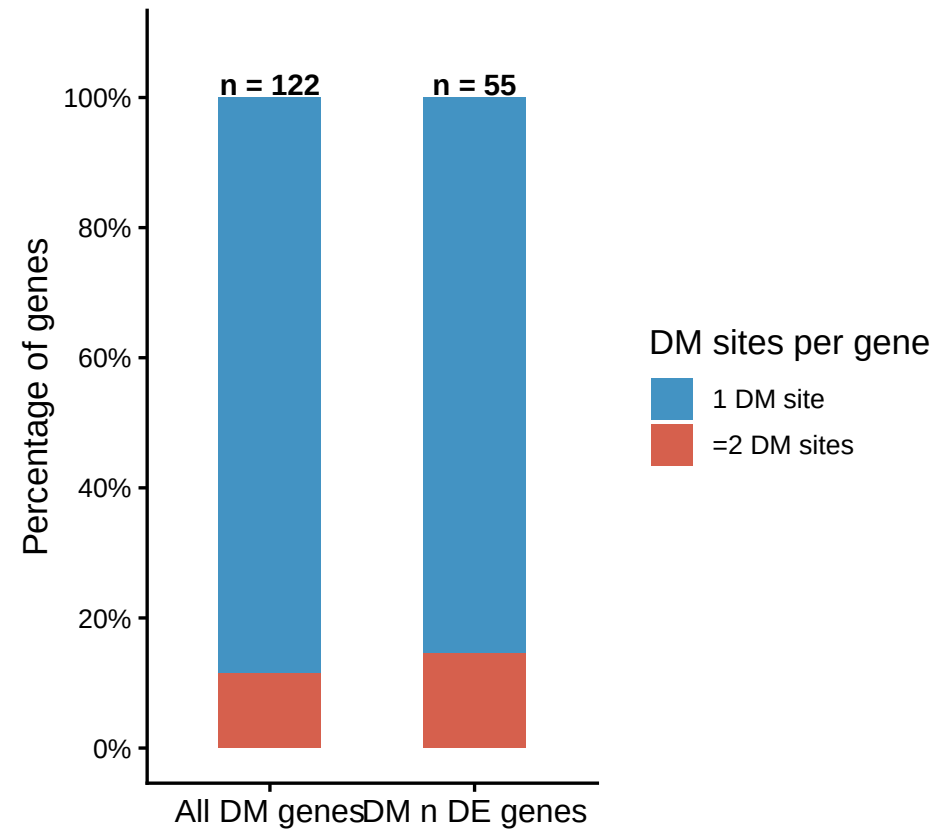

M1: DM site multiplicity

All DM genes vs DM n DE genes

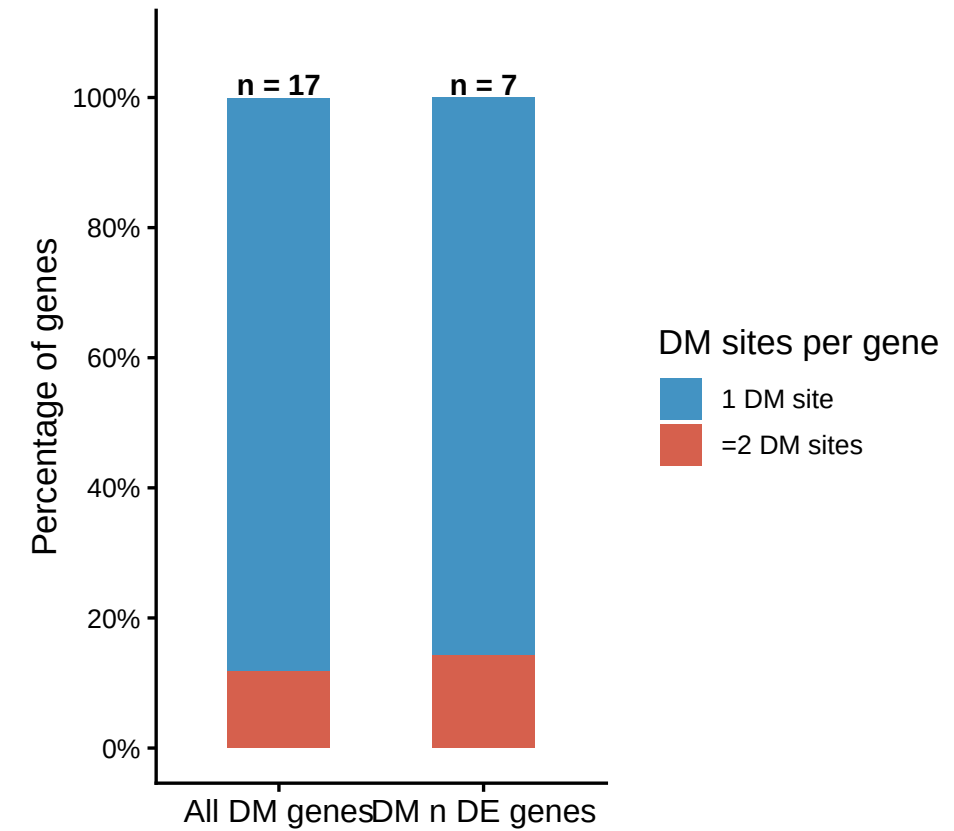

M2: DM site multiplicity

All DM genes vs DM n DE genes

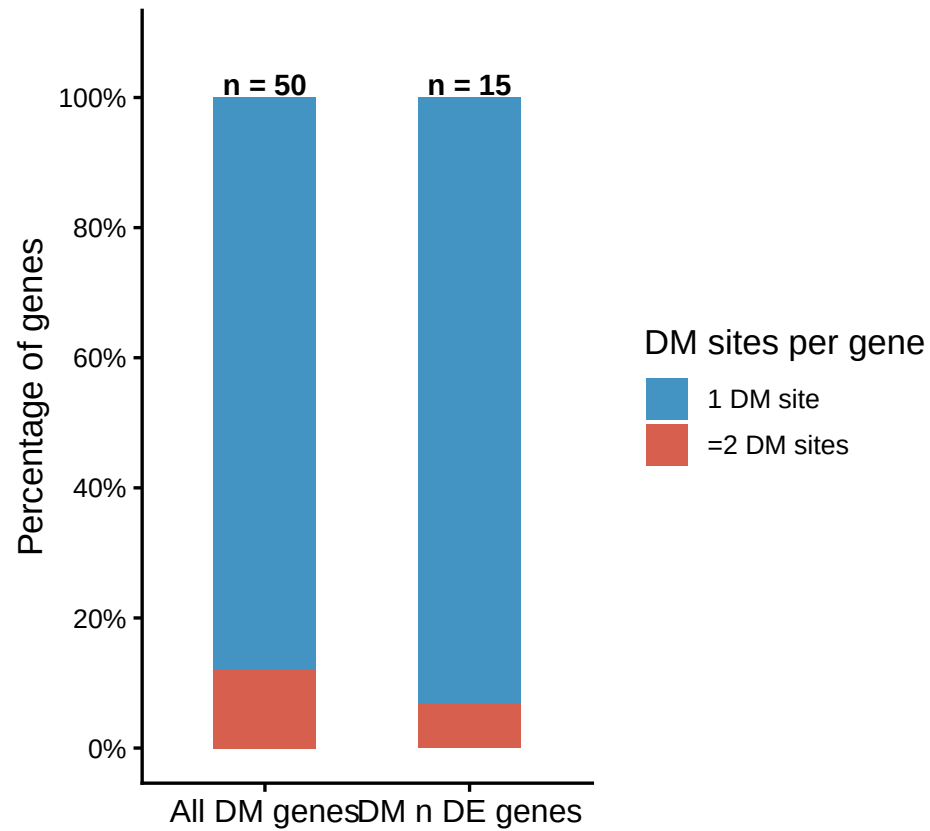

M3: DM site multiplicity

All DM genes vs DM n DE genes

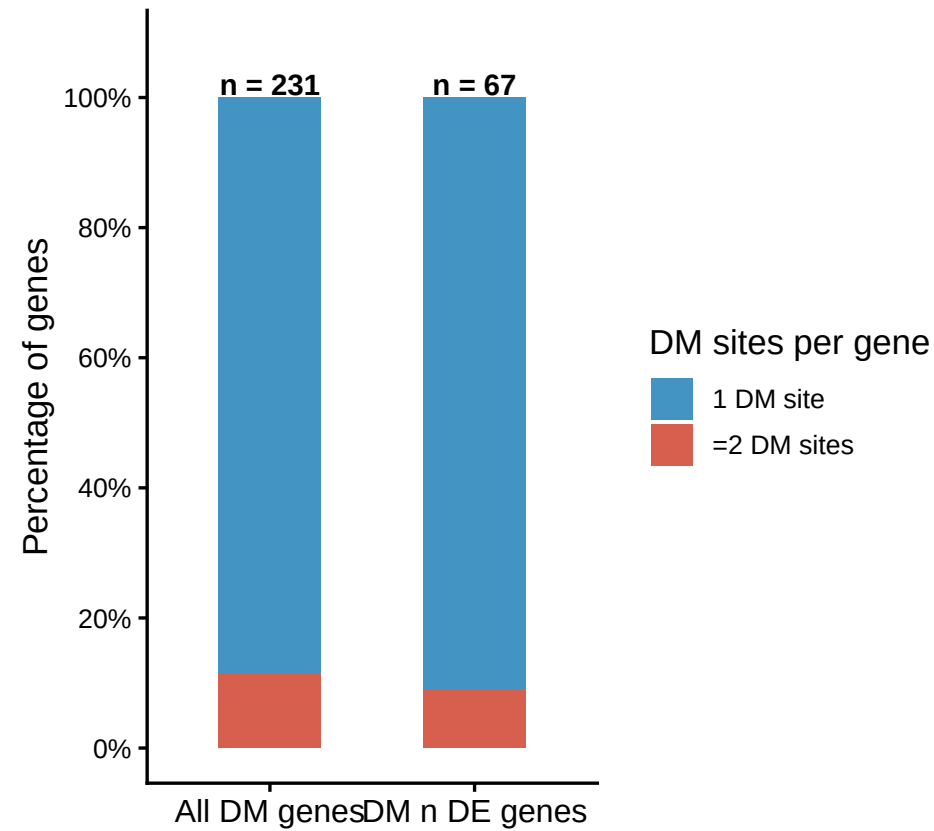

M4: DM site multiplicity

All DM genes vs DM n DE genes

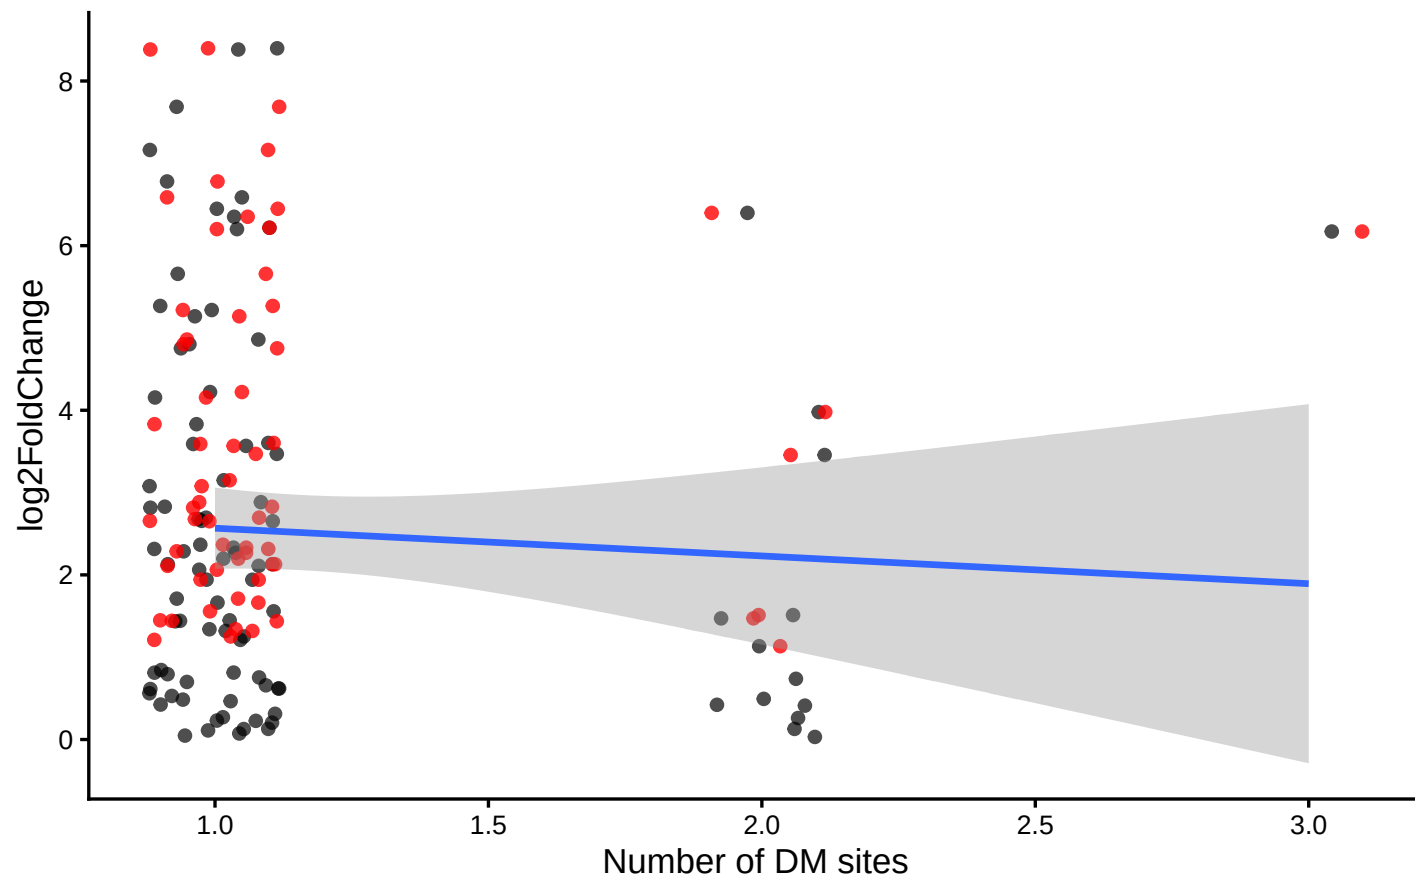

M5: DM site multiplicity

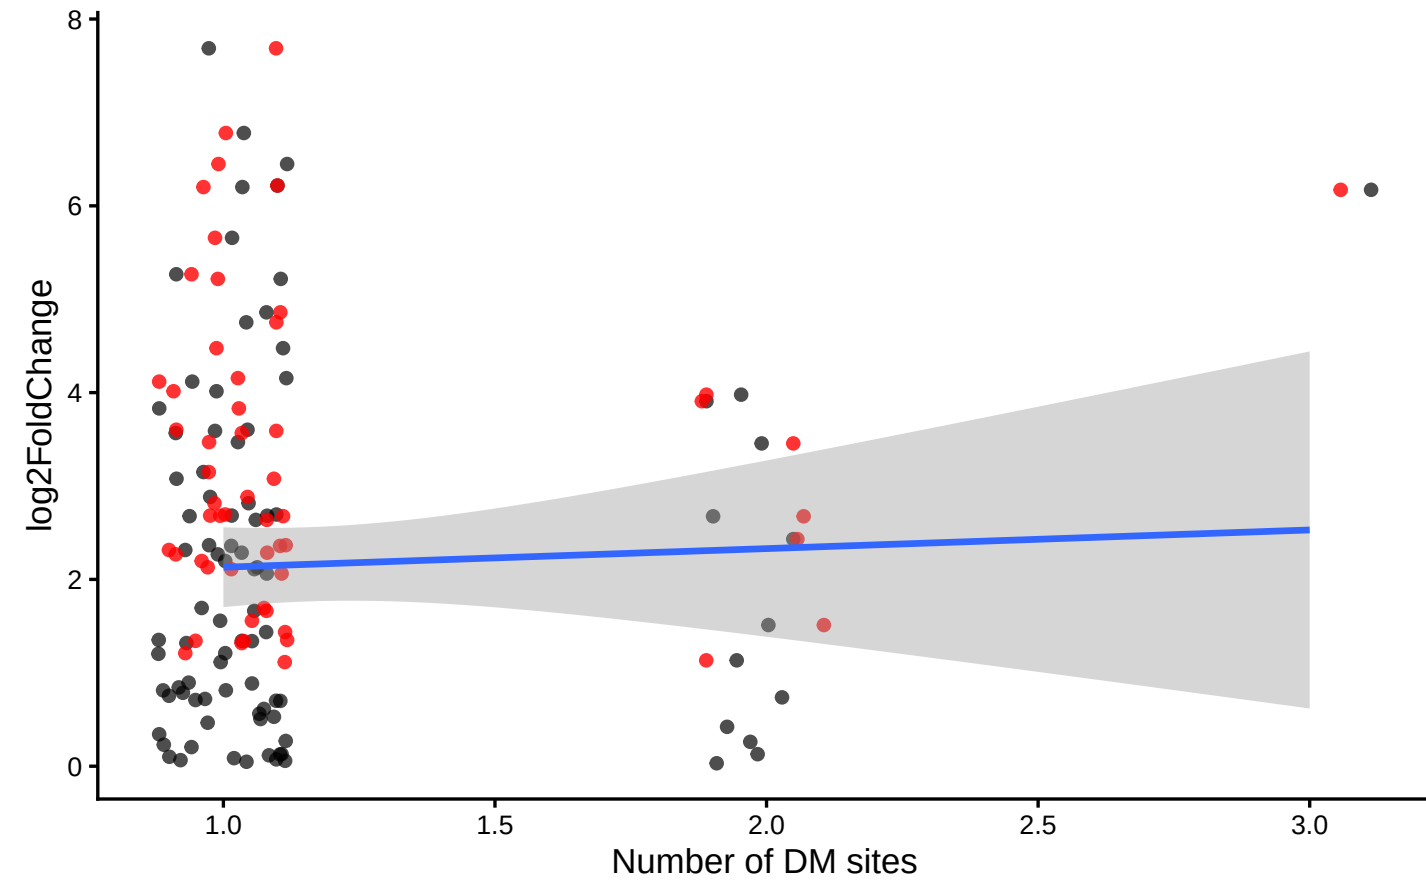

All DM genes vs DM n DE genes

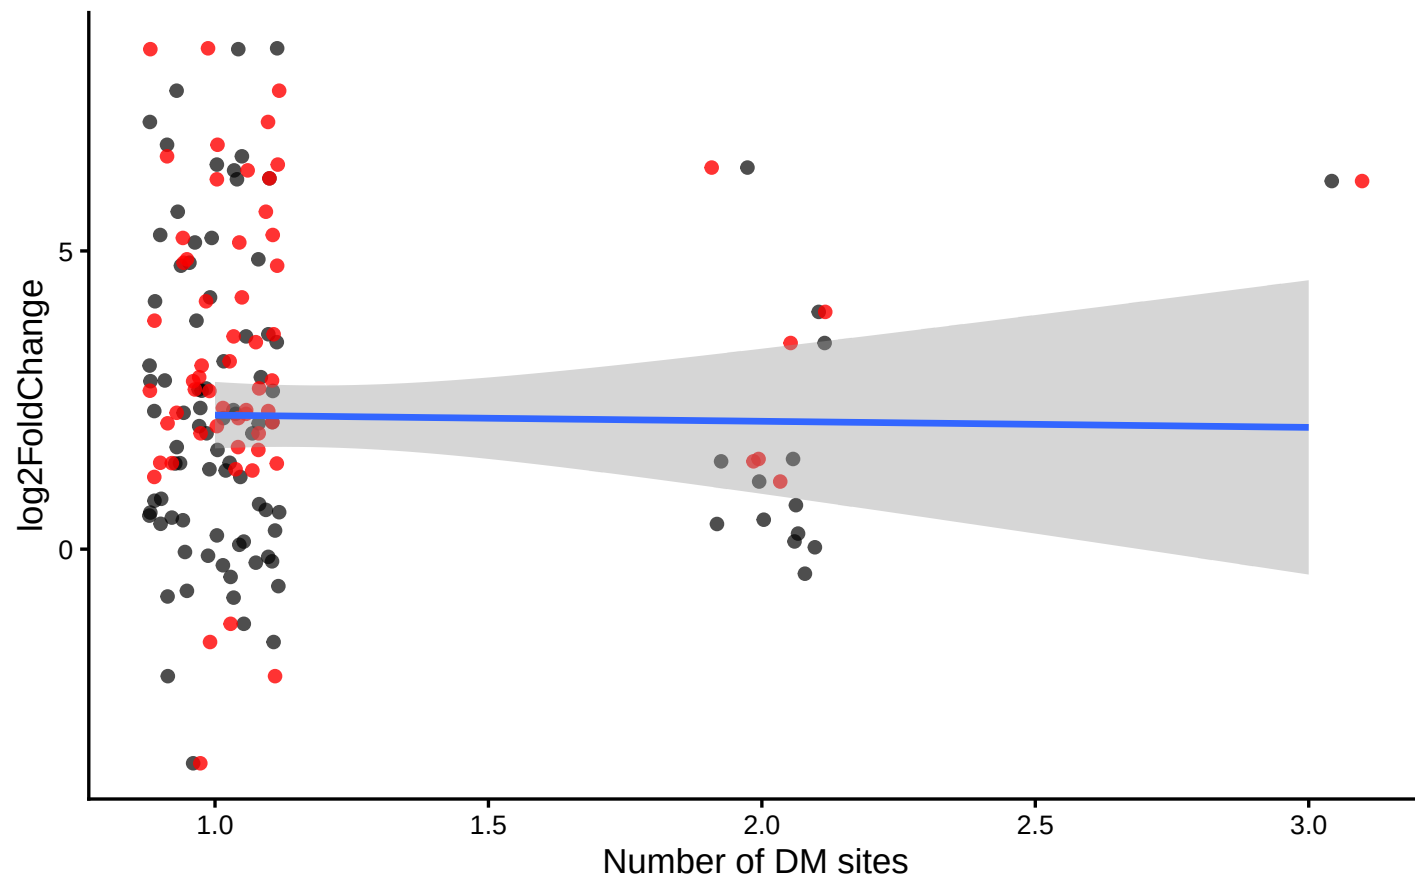

M1: Correlation # DM sites vs expr (magnitude)

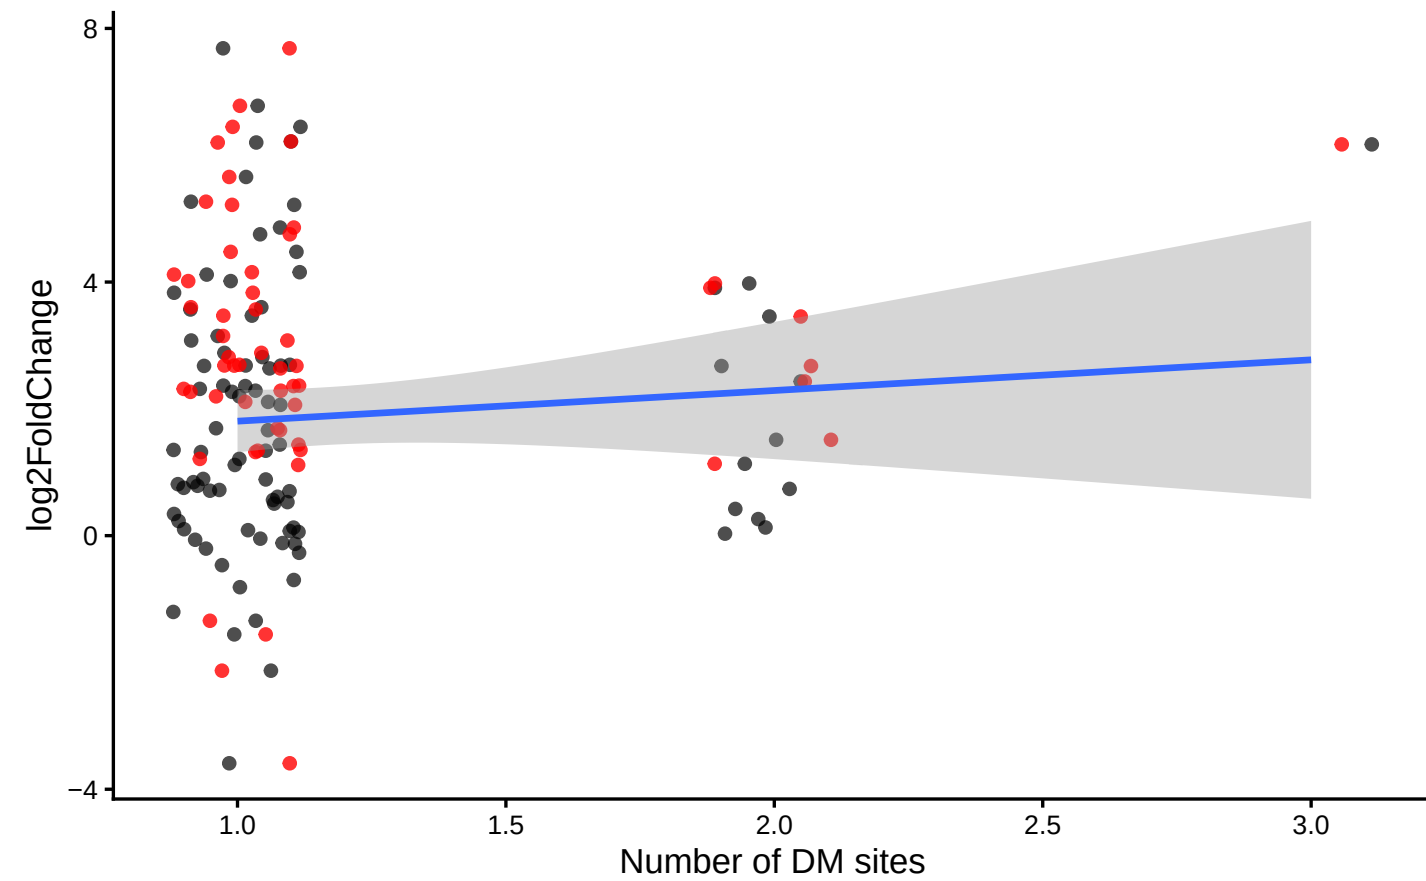

M2: Correlation # DM sites vs expr (magnitude)

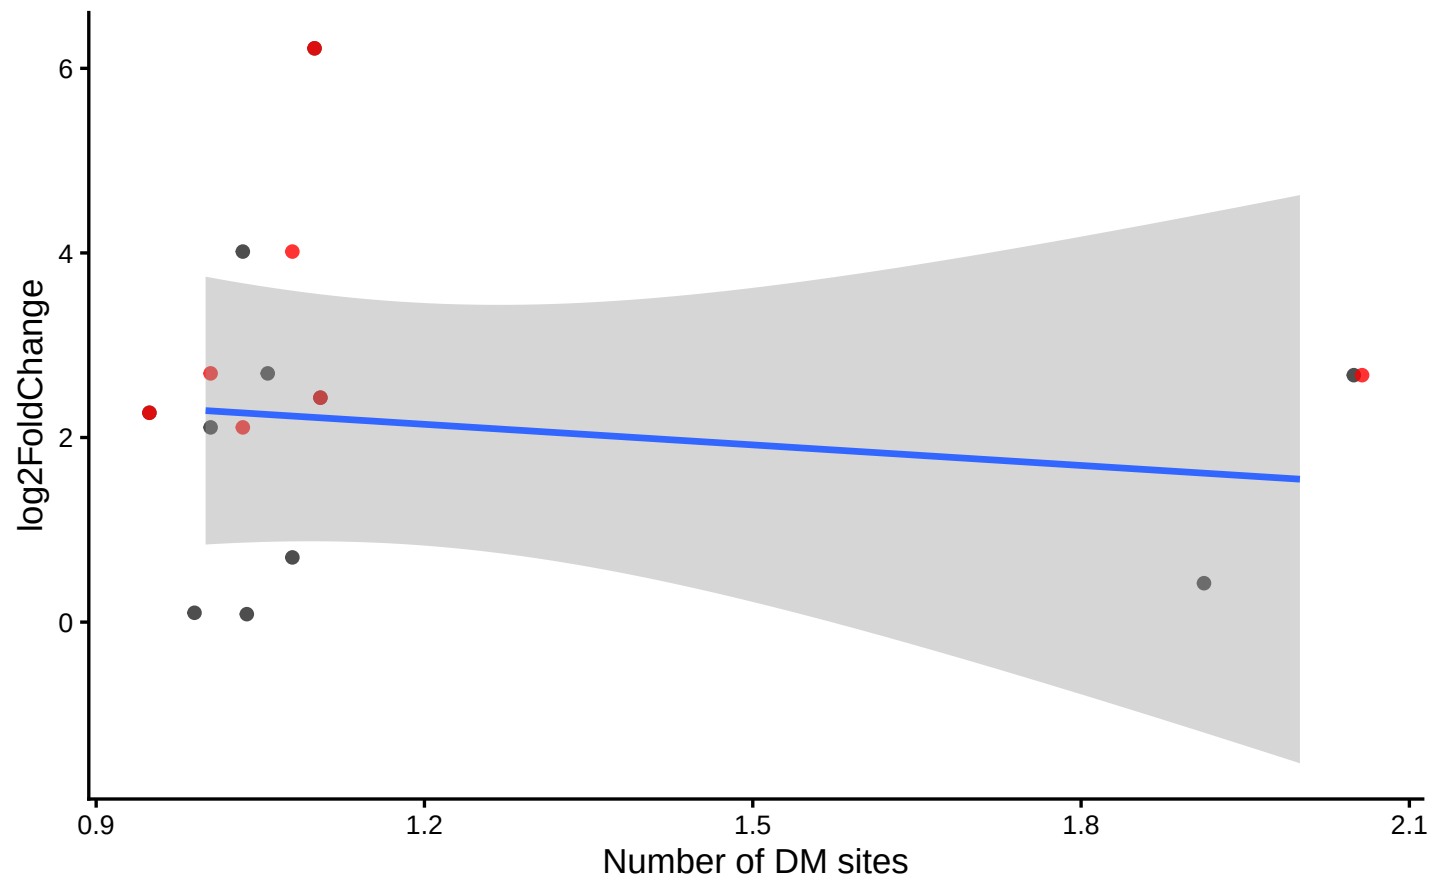

M1: Correlation # DM sites vs expr (direction)

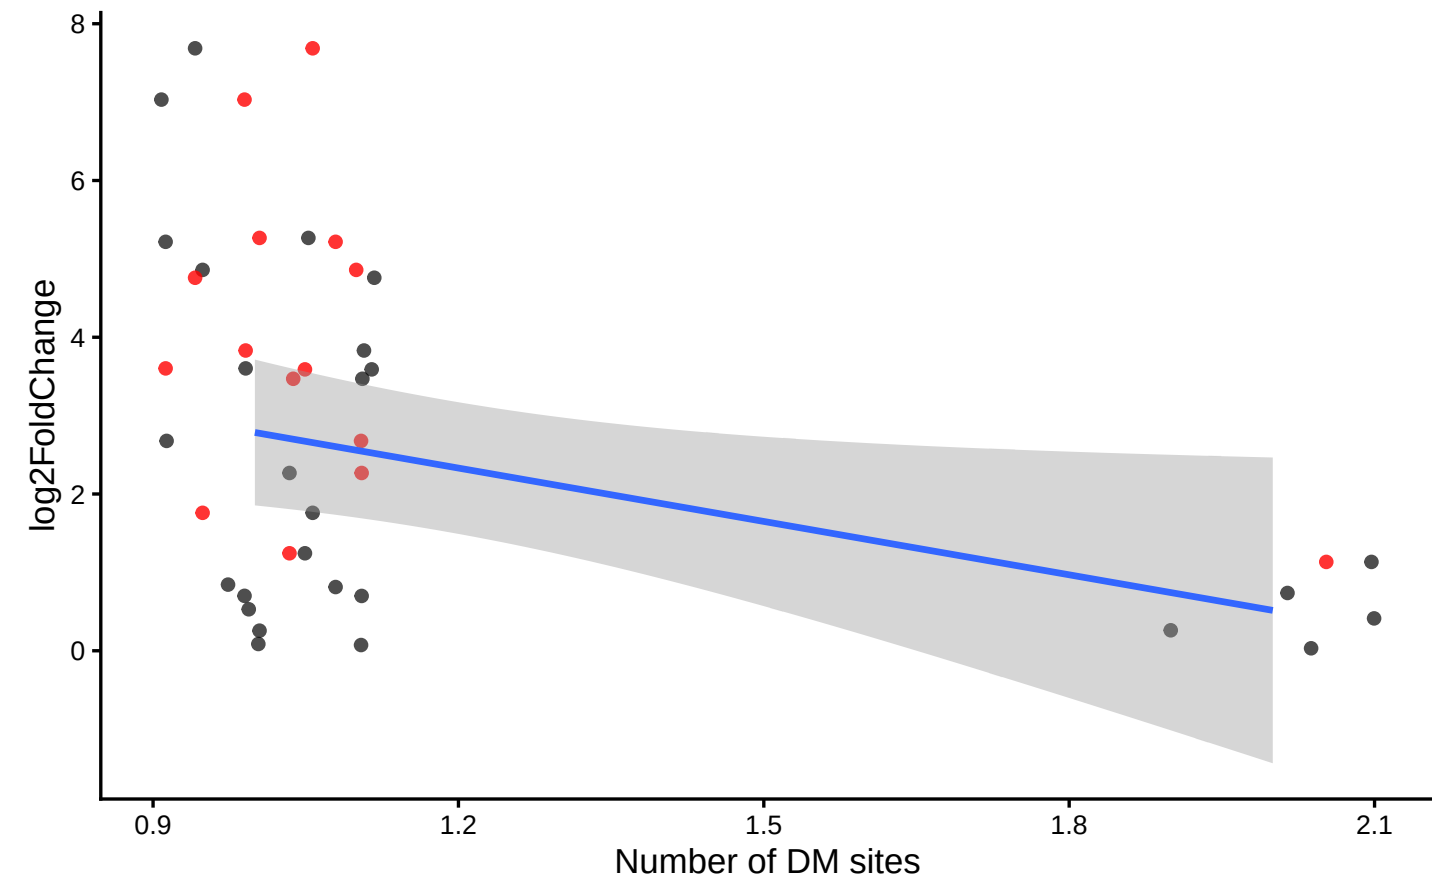

M2: Correlation # DM sites vs expr (direction)

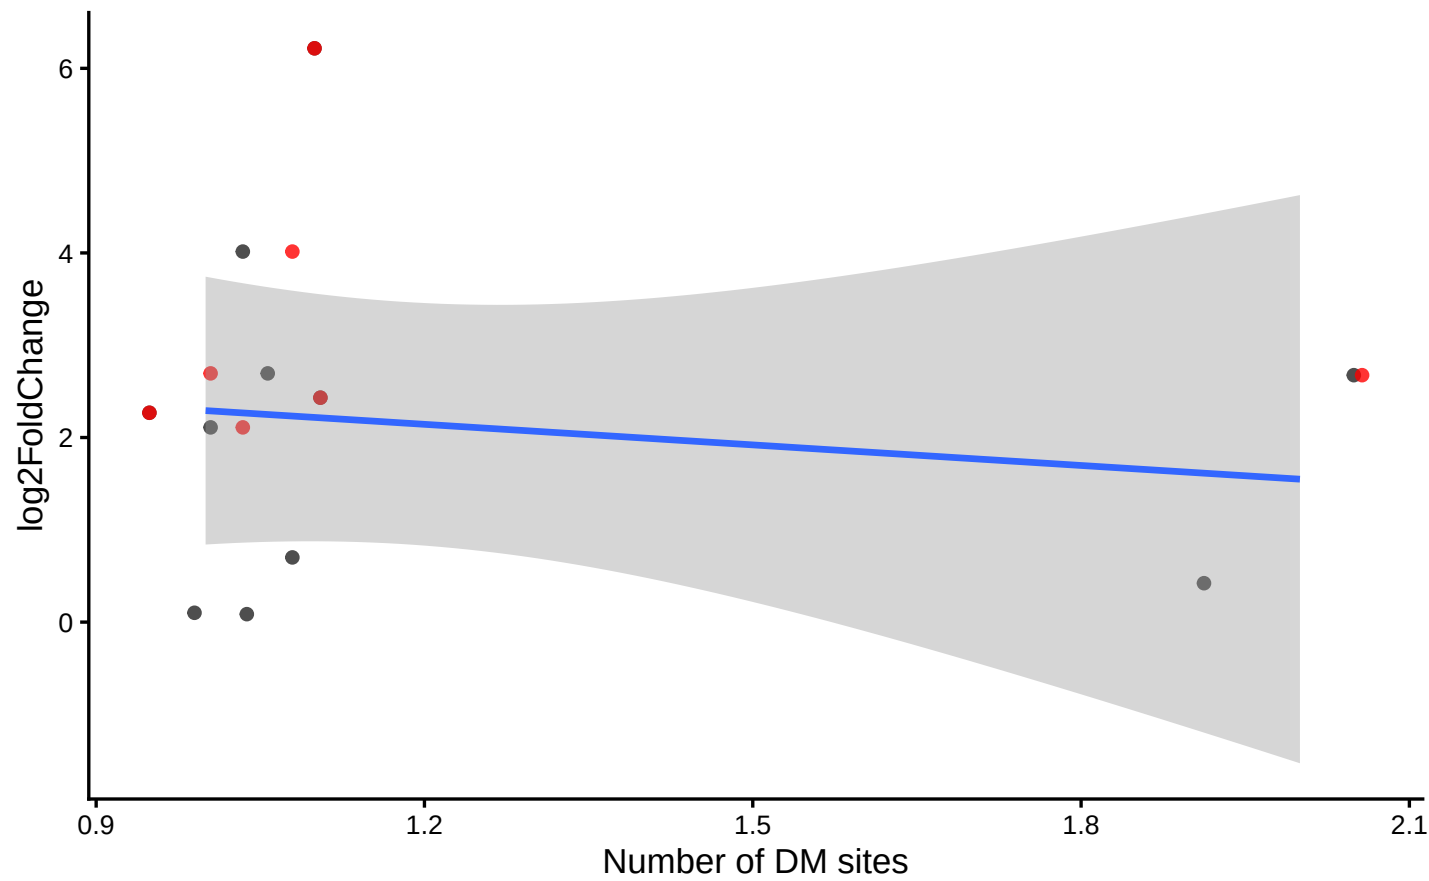

M3: Correlation # DM sites vs expr (magnitude)

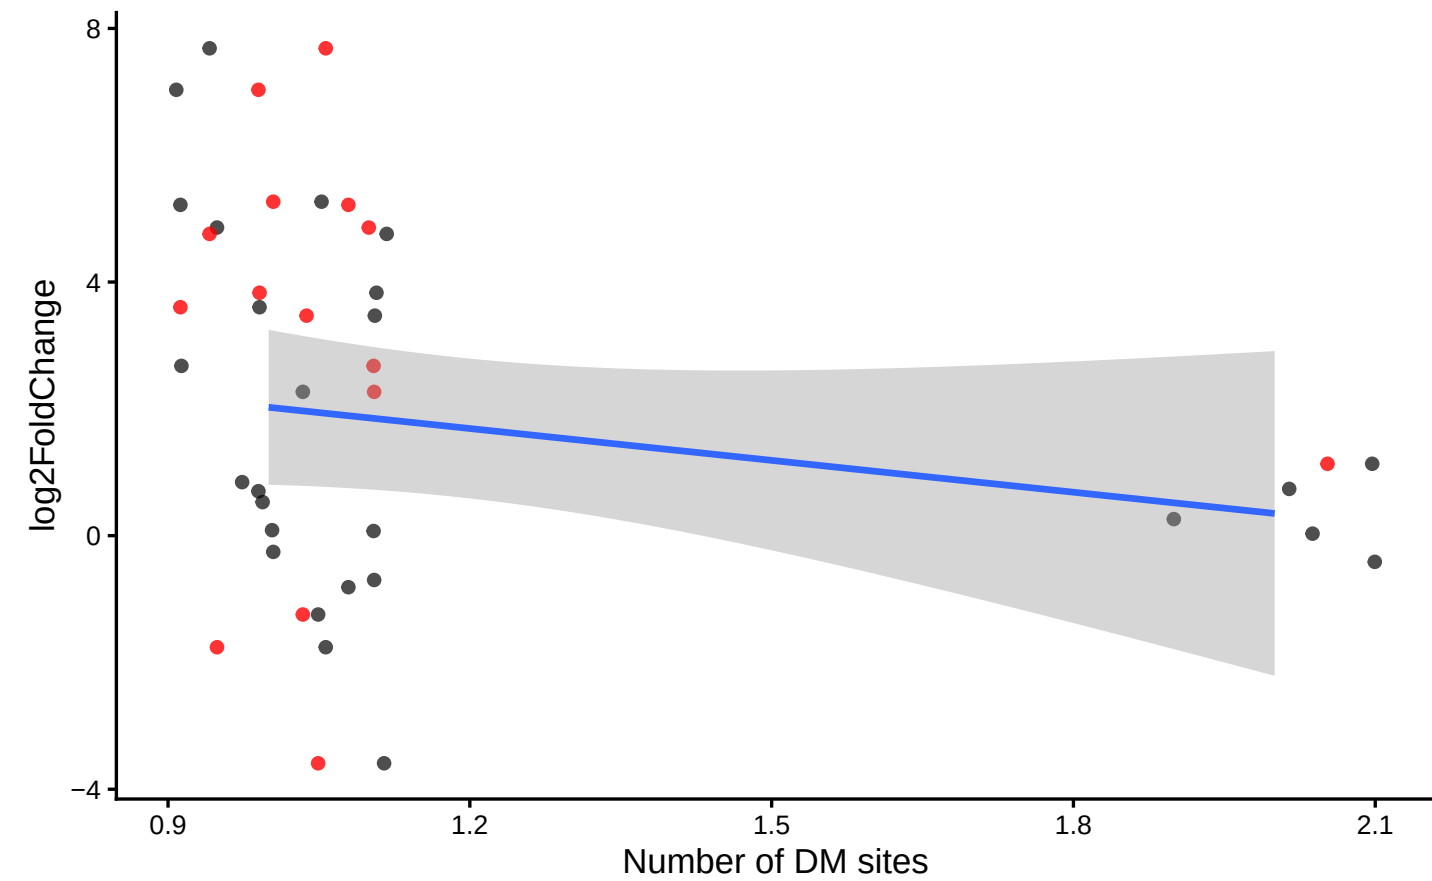

M4: Correlation # DM sites vs expr (magnitude)

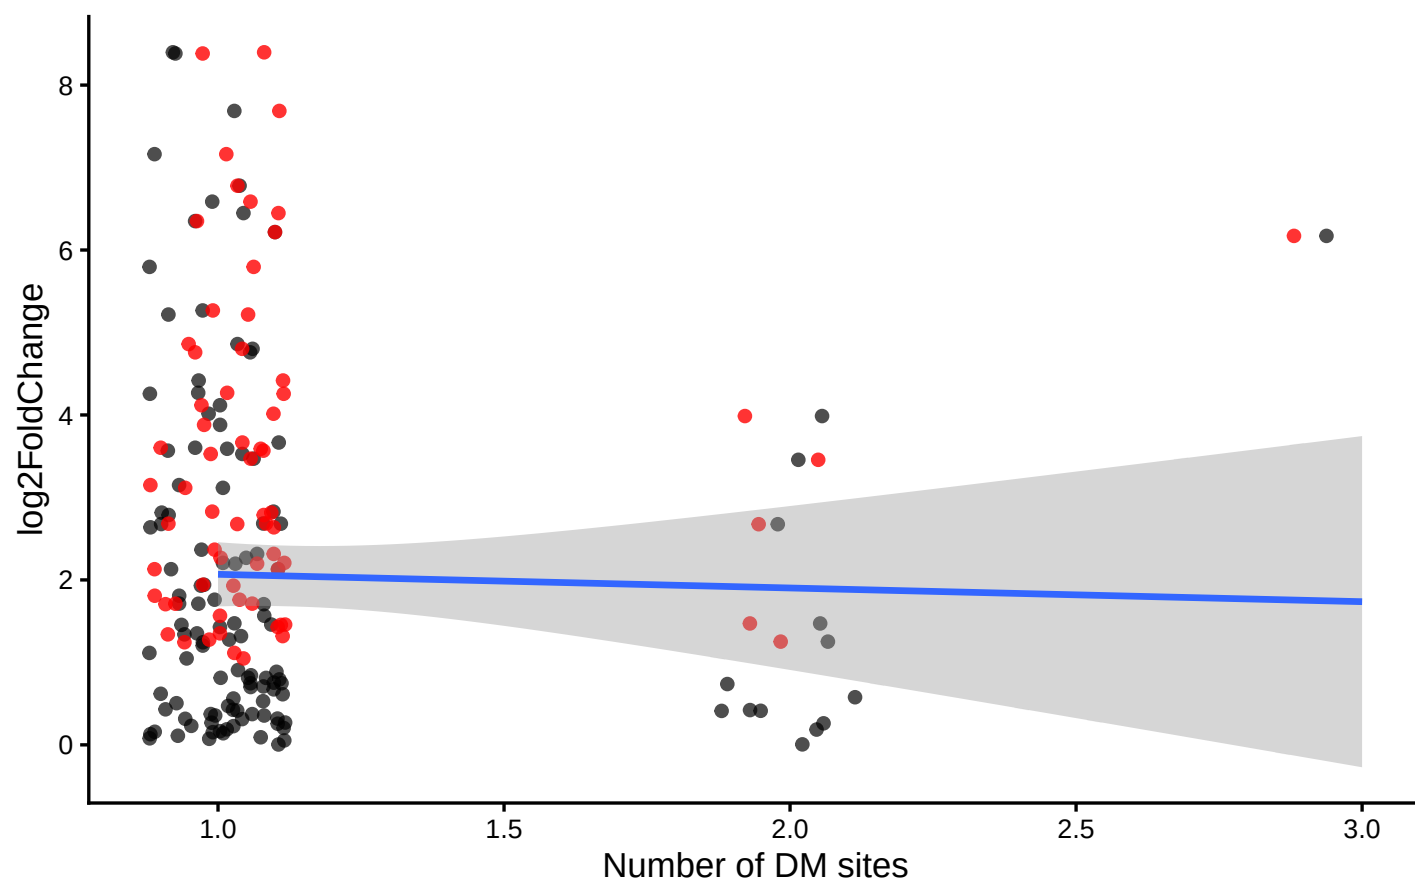

M3: Correlation # DM sites vs expr (direction)

M4: Correlation # DM sites vs expr (direction)

M5: Correlation # DM sites vs expr (magnitude)

M5: Correlation # DM sites vs expr (direction)
